The Johnson Story

High in the Himalayas, where journeys meet and stories unfold, Johnson Bar & Restaurant was born in 2004, when Mehul and Pia opened a place at Johnson Lodge & Spa.

What began as a cozy mountain hangout for travelers and locals has grown into a vibrant home of food, music, and memories — a journey of over two decades filled with flavor, passion, and craft.

Since 2010, Yeon, an interior designer and entrepreneur from Korea, has become part of this story — shaping Johnson Lodge & Spa alongside the Johnson family with creativity and heart.

Today, as you sit here, you're part of that story too.
Welcome to Johnson's — where every moment rises with the mountains.
